

2025 Bright Summer Days

Bright Summer Days offers an array of experiences and explorations for our young students in both the indoor and outdoor environments. Children will socialize with peers and engage in planned activities in an environment that invites curiosity and discovery. Activities include sand and water play, paint and play dough, singing and reading, drawing and constructing.

Our wonderfully creative and nurturing staff will facilitate our summer school classes. Our 2's, Multi-Age and YBK (Year before Kindergarten) classes are offered. *Students who attended Bright Days in the past and will be entering first grade in the fall of 2025 are eligible to attend summer school.*

Our summer program consists of 9 total weeks in June, July and August. There are 3 attendance options for each week:

1. Monday/Friday (2 days)
2. Tuesday/Wednesday/Thursday (3 days)
3. Monday-Friday (5 days).

You select which weeks your child will attend and which attendance option for each week. **Enrollment will be on a first come, first serve basis. No priority enrollment period. Space is limited.**
